\$4,000,000 Y. M. C. A. FUND IS RAISED

Buffalo, June 12.—Without publicity or public appeal, the raising of a fund of \$4,000,000 to provide for the retirement of veteran Y. M. C. A. executives throughout North America is nearing completion, it was announced here today by A. H. Whitford, local Y. M. C. A. secretary and chairman of the fund committee.

It had been originally planned to close the campaign on January 1, 1933, but indications are that the fund will have been fully subscribed within the next two weeks.

Secretaries will have the privilege of retiring at the age of 60, but may continue if they so elect. Former secretaries are provided for under the plan. Canada, Cuba and Brazil have made contributions to the fund and association secretaries there will share in its benefits.

Got Policeman's Goat.

"It's a hard life," said the traffic policeman. "What's the trouble?" asked the genial old gentleman. "I had to call down a fashionable dame just now for violating a traffic law. The look she gave me was bad enough, but the way her poodle dog yawned in my face was positively insulting."
